Need to Know

The Wound, Ostomy & Continence (WOC) Team at Providence Health Care has developed additional resources related to wound, ostomy and continence that are accessible on the **Connect** [Wound, Ostomy, Continence & Skin Care](#) page (within the [Nursing site](#))

This resource will be periodically updated with additional resources and updates. Some of the resources available include the following:

- [Wound, Ostomy and Continence](#)
 - Main landing page. This page lists all updates to the WOC site.
- [Team Contact](#) Information
- [Frequently Asked Questions \(FAQs\)](#)
- [Wound Care](#)
 - Negative Pressure Wound Therapy
 - Topical Treatment of Wounds: Quick Reference Guide – Wound Dressing Selection
 - Product Information Sheets
- [Ostomy Care](#)
 - Ostomy Diversions
 - 1 page Quick Reference Guides
- [Continence/Skin Care](#)
 - Skin Care Products
 - Adult Skin Care Protocol (product Quick Reference Guide)
- [Cerner Resources](#)
 - Nursing Manuals and Quick Reference Guides
 - Provider Manuals and Quick Reference Guides
- [Pressure Injury Prevention](#)
 - Support Surface Selection Information Tools (and education documents)
 - Offloading and Boosting Quick Reference Guides
- [Education and Resources](#)
- [Program Specific](#)

This material has been prepared solely for use at Providence Health Care (PHC), Provincial Health Services Authority (PHSA) and Vancouver Coastal Health (VCH). PHC, PHSA and VCH accept no responsibility for use of this material by any person or organization not associated with PHC, PHSA and VCH. A printed copy of this document may not reflect the current electronic version.

- [Wound Ostomy Wisdom](#)
 - Quick reference guides, practice updates, education posters, Care Connect articles, etc.

If you have requests for additional resources, please contact the WOC team at phcwoundostomyteam@vch.ca
