

Wound, Ostomy and Continence Product Information Sheets (PISheets)

Site Applicability

All PHC and VCH sites

Practice Level

All professions

Need to Know

In collaboration with wound, ostomy and continence product manufacturers, the Provincial Nursing Skin and Wound Committee, the Provincial Nursing Ostomy Committee, The Provincial Interdisciplinary Continence Committee and the Provincial Interdisciplinary Skin and Wound Committee have developed Product Information Sheets which describe:

- Name of the Product
- Classification
- Key Points
- Indications
- Precautions
- Contraindications
- Formats and Sizes
- Application Directions with Rationales
- Removal Direction
- Frequency of change (where applicable)
- Expected outcomes

Access Links

1. [Product Information Sheets](#)
2. [Skin and Wound Community of Practice web site](#)

Not all products listed on this link will be available at your site. Contact your Nurse Specialized in Wound, Ostomy and Continence (NSWOC), Wound Clinician, Ostomy Nurse, OT or PT if you have questions about specific products.

The product information sheets will be updated on an as needed basis. Please do not print and post as important revisions may be missed.

This material has been prepared solely for use at Providence Health Care (PHC), Provincial Health Services Authority (PHSA) and Vancouver Coastal Health (VCH). PHC, PHSA and VCH accept no responsibility for use of this material by any person or organization not associated with PHC, PHSA and VCH.
