

We want to hear from you!

Tell us about your experience at St. Paul's Hospital to help us improve the quality of our services in the future.

1. If you want to connect to our Free Public Wi-Fi, go to the Wi-Fi settings on your smartphone and select "Public-Wifi" on the available Wi-Fi network list.
2. Open the camera on your phone and point it at the square QR code opposite. You will see a link pop up at the top of your phone screen. Please open this link to go to our online survey.
3. If your phone camera cannot read the QR code, you can also type the following link directly into your internet browser:
