

Dear

On , you had a screening mammogram (breast x-ray) at

Unfortunately, one or more of your x-rays did not yield optimal images for review due to a technical reason. As such, repeat imaging is required.

Our staff have been unable to reach you by phone. We kindly ask you to contact us at at your earliest convenience to arrange for a return visit to our screening centre to repeat the necessary x-rays.

Please accept our sincere apologies for this inconvenience. We look forward to hearing from you.

Sincerely,

CC:
