

<b>Policy Title:</b> Breast Screening Program Visitors	
<b>Section:</b> General	<b>Reference No.</b> SA 010
<b>Effective:</b> July 1991	<b>Revision:</b> November 2017

## 1. SCOPE

All Breast Screening Program Staff

## 2. POLICY

Radiologists, Physicians, or medical professionals who wish to visit the Breast Screening program should contact either the Breast Screening Medical Director or the Screening Operations Director in writing. All visiting arrangements should be made through the Client Services Centre.

Students are welcome to pick-up information and promotional materials at any of the screening centres. Additional information (e.g. Annual Reports, brochures), may be obtained from the Client Services Centre or from the Breast Screening website: <http://www.bccancer.bc.ca/screening/breast>

*A visitor is allowed to observe a mammogram under certain circumstances and with the individual screenee's consent.* (E.g. Physician, Technologist, or screenee designated support person)

All staff and volunteers with access to information in the Breast Screening client database must abide by the provincial Freedom of Information and Protection of Privacy Act to protect the confidentiality of patient information.

## 3. RELATED POLICIES

SI 001 – Access to Information and Right to Privacy

## 4. RESPONSIBLE PARTY

Screening Operations Director
